July 19, 2022  
RESCHEDULED REGULAR MEETING**

**4:15 PM –**

ROLL CALL

APPROVAL OF MINUTES

06-13-2022 Regular Meeting Minutes – **Action Item**

AGENDA ITEMS

1. Fuel Sales – June 2022
2. Disposition of City Owned Hangar
3. Airport Maintenance –
  - a. Plants growing in the cracks of the runway and taxiways (e.g., there was a tree growing in the displacement area where the centerline would be). The runway and taxiway surface cracks need urgently sealed before winter.
  - b. taxiway leading to 13 departure shows signs of being underwater: this will lead to premature deterioration of taxiway. Drainage or retaining pond needed (which could be used to water the grass runway area but safety issue).
  - c. mowing puts gravel on surfaces: we should consider leaf blowers or sweepers to clear movement surfaces of gravel/rocks.
  - d. near t-hangars at that “first” taxiway: significant erosion...drainage pipe appears obstructed, concrete has a crack across the width of the taxiway. Professional assessment and repair needed.
4. FY23 Budget
