Payette Municipal Code Sections 16.04 & 16.20.20

16.04.010 Purpose: In order to promote the public health, safety and general welfare of present and future residents, and to bring about a coordinated and efficient development of the City, the following regulations for the subdividing of land within the City are adopted.

16.20.010 Submittal Of Preliminary Plats And Data--Review By Engineer:

A. At the time the filing of an application for approval of the preliminary plat, the developer shall submit to the City Engineer the plans and data as required in Chapter 16.12.

Notice To Applicants

- Before an application is submitted, a conference with current Planning staff is **REQUIRED**. Meetings are open to all and need to be scheduled through calling City Hall.
- There will be no refund of any application fee for approvals not granted or withdrawn.
- No incomplete applications will be acted upon.
- Complete applications and reviews must be received not less than 14 days prior to the next regular meeting of the Planning & Zoning Commission in order to be placed on the agenda for the meeting.
- The applicant is advised to include all attachments required as a part of the application.
- Approval of the Preliminary Plat by the City Council shall be in effect for a period of one year, and thereafter is null and void.

Preliminary Development Plan

- Call City Hall to schedule a Pre-Development Meeting 208-642-6024
- City Staff will Review the Concept plan(s)
- General Comments from City Staff

Preliminary Plat Application

- Submit plan, application, fee & Support Materials to City
- City review for application completeness, 5 business days

Agency Review

- Letter sent by City to agencies listed in Payette Municipal Code 16.20.050 requesting review of plat proposal – mailed at least 15 days prior to public hearing.

City Engineer Review

- Will complete review within 15 business days
- Notify developer in writing of compliance or non-compliance
- Developer to pay engineer review fees
PMC 16.20.010 (b)

Public Improvement Agreement *PMC 16.20.010*

- At time preliminary plat is submitted, a Public Improvement Agreement is drafted.
- Agreement shall be signed by City Council and Developer as part of the plat approval.

Planning & Zoning Commission Recommendation

- Complete application and complete reviews must be received no less than 14 days prior to Planning & Zoning Commission meeting
 - *P & Z meets on the 4th Thursday of each month*
- P & Z Commission has 45 days from date of first hearing to approve, approve with conditions, or disapprove
- P & Z recommendation & plat forwarded to City Council.
- Notice of P & Z action sent to developer

Council Action *PMC 16.20.070*

- Council may hear testimony of developer & witnesses
- Council must declare findings within 15 days
- May sustain, modify, reject or overrule recommendations of P & Z Commission
- May extend time limits upon mutual consent of developer and City

Submit Final Plat

- Final Plat must be submitted within one year after action by Council on preliminary plat *PMC 16.24.020 (a)*
- See separate requirements for final plat submission

PRELIMINARY PLAT APPLICATION AND INSTRUCTIONS

PROCEDURE FOR FILING A PRELIMINARY PLAT

1. **WHO MAY FILE:** An application for a preliminary plat may be filed by the property owner or the property owner's representative. The owner in all cases must sign the application. All applicants must designate a contact person for the preliminary plat application. The City requires the name, address and telephone number for that contact person. The applicant is responsible for notifying the City if the contact person or entity's address or phone number changes.
2. **APPLICATION:** The application forms may be obtained from the City of Payette City Clerk's Office. The applicant is required to attend a development conference with the appropriate City staff. These can be scheduled by calling City Hall as 208-642-6024. Once you have completed the application, return it with all required submittal materials to the City Clerk's Office. *Be sure to complete the application in its entirety; an incomplete application may cause a delay in scheduling a hearing.*
3. **STAFF REVIEW:** An application is considered complete when it meets the submittal requirements included on the 'completeness checklist' included in this application and is sufficient for continued processing. Additional information might be required during the review of the application which could delay the review of the application. If the application is considered "compliant" a notice of determination of completeness will be provided to the applicant in writing. If the City determines that the application is not compliant, the applicant will receive written notice to that effect and a list of the information that is needed to make the application complete. If an application is determined to be incomplete or more information is required, then the review of the preliminary plat will be interrupted and the hearing delayed.
4. **CONSOLIDATED REVIEW:** If the applicant has other permits that he/she would like to be processed concurrently with the preliminary plat, the applicant may request, and the City will conduct an integrated and consolidated permit review process. The optional consolidated review provides an opportunity for all permit applications related to a project to be reviewed at the same time.
5. **PUBLIC HEARING:** The City's Planning & Zoning Commission will conduct a public hearing on all preliminary plat requests. The public hearing is an "open record" public hearing. This means that the record is open to receive information, testimony, exhibits, evidence, etc. to be used by the Planning Commission to make a decision on the preliminary plat. This hearing is the only time to present any information, testimony, exhibits, evidence, etc. that will be used by the City to make a decision on your preliminary plat. The owner and/or his representative must be at the Planning & Zoning Commission's public hearing. It is a City policy to postpone the application if the owner or a representative is not in attendance. At the conclusion of the public hearing, the Planning & Zoning Commission will prepare a written decision which will be forwarded to the City Council, or if it is necessary, the Planning & Zoning Commission may postpone a recommendation in order to collect more information.
6. **CITY COUNCIL DECISION:** When the City Council receives the application, it may either affirm the decision of the Planning & Zoning Commission or remand the decision back to the Commission. If the Council approves the request they will instruct the City Attorney to prepare the necessary resolution which will be adopted by the Council at their following meeting. In some cases, the Council may direct that specific conditions or agreements be secured prior to the adoption of the resolution.
7. **TIME FRAME:** It takes about 60 days from the date that the application is deemed to be complete to complete the preliminary plat process. The process may be longer if the application is incomplete or additional information is required.

PLEASE NOTE:

The application will not be placed on the Planning Commission's Agenda until the City Engineer has found the application to be compliant in its entirety.
